Application Instructions (Your application packet should include):

- This application shall be filled out entirely; to include the appropriate fee and payment type.
- Application must be accompanied by the following:
 - o A description of the display or show, including a list of the type and number of pyrotechnic effects.
 - o A plot plan of the display area showing the location of discharge; fall-out zone; & the audience area
 - o Attach map-showing area, in which fireworks will be detonated, all buildings within six hundred (600) feet of such area, area to be used by spectators, and place of storage of fireworks before and during display.
- Attach copy of certificate of insurance, certificate of competency from State Fire Marshals Office
- All vehicles transporting pyrotechnics must be marked according to NFPA 701
- Additional permits from Federal, State, or other authorities may be required.
- The FM may require a demonstration of any pyrotechnic, firework, or fire performance prior to final approval.
- Attach photocopy of pyrotechnic operator's license.

Public display permits must be obtained from the State Board of Insurance through the State Fire Marshal. A public firework displays

Permit is not renewable and is valid for only one public firework display to be held during the hours and on the date or alternate date, if provided,

May be hazardous to property or dangerous to any person. The Fire Marshal or designee may, in the exercise of reasonable discretion, approve or disapprove the display site, and/or may impose reasonable conditions on the display.
